Introducing **No More Cold Sores** herbal drops

It's a **100% natural remedy** using a combination of **herbal drops** and **pure ice**. Over **85% success rate** for our customers after 3-4 treatments of using **No More Cold Sores**. There are no drugs, creams, or chemicals and it's as easy as 1, 2, 3.

Easy as 1, 2, 3

Use bottled water (not tap water) to fill the ice cube tray. Then add 10 drops of **No More Cold Sores** to each ice cube. Freeze for 24 hours. Then apply to the cold sore.

How does **No More Cold Sores** work?

You treat each ice cube with 10 drops of the herbal remedy. When you apply the ice cube firmly to your lip (do not move it around but keep it fixed on the actual cold sore) you slow down the metabolism of the virus and stop the cold sore in its tracks. The herbal drops have powerful anti-viral properties.

The golden rules you need to follow

Act quickly, at the first sign of a tingle apply the ice cube to the lip. Keep the ice cube firmly on the cold sore, use a paper towel to hold the ice cube, this will help slow down the melting. Apply at least 3 ice cubes at the first signs of the cold sore. Keep the herbal drops in the fridge and discard after 6 months.

How to buy?

The herbal drops cost £18 per bottle, this includes P&P. You can only purchase **No More Cold Sores** online at **www.nomorecoldsores.co.uk**

We provide a **100% one year money back guarantee** if you are not completely satisfied with our product.
